Directions to the University of Delaware's Paradee Center

69 Transportation Circle, Dover, DE 19901

From Northern Delaware:

Take Del. Rt. 1 South to Dover. Stay on Route 1 around Dover. Take the U.S. Rt. 113 / Del. Rt. 10 exit (exit 95), which is the third exit after the toll plaza. Bear right and merge onto U.S. Rt. 113 northbound. Immediately merge into the lefthand lane, and then into the left turn lane just after passing the ramp for the connector to U.S. Rt. 13. Turn left, crossing the highway onto Transportation Circle. The Paradee Center will be the brick building on your left.

From Southern Delaware, via U.S. Rt. 13:

Take U.S. Route 13 North to Dover. Get into the righthand lane after the St. Jones River Bridge. Turn right onto Public Safety Boulevard. There is a new traffic signal and a large car dealer (Winner Ford) at this intersection. Public Safety Boulevard brings you to Transportation Circle. Take a right onto Transportation Circle. The Paradee Center will be the brick building on your right just before the highway.

From Southern Delaware, via Del. Rt. 1/U.S. Rt. 113:

Take Del. Route 1/U.S. Rt. 113 North to Dover. Take the U.S. Rt. 113 / Del. Rt. 10 exit, which is also marked as the last exit before the toll. Merge into the lefthand lane, and then into the left turn lane just after passing the ramp for the connector to US Rt. 13. Turn left, crossing the highway onto Transportation Circle. The Paradee Center will be the brick building on your left.

From the Bay Bridge:

Take U.S. Rt. 301 East/North. Turn right onto Md. Rt. 302. Go through the small town of Barclay. At Templeville, Md., turn right onto Md. Rt. 454. This road turns into Del. Rt. 8 in Marydel, Del. Continue on Rt. 8 through Dover. Turn right onto US Rt. 13 southbound and immediately get into the middle or left lane. Bear left at the "U.S. Route 13/113 split" onto U.S. Rt. 113 south. Turn right onto Transportation Circle (just before the Del. Rt. 1 overpass). The Paradee Center will be the brick building on your left.
