STAND UP FOR LEARNING

2018

STAND Up For Learning is an annual conference funding program sponsored by the State Training Advisory Network of Delaware (STAND). Under this program, trainers and aspiring trainers who are STAND members can apply to receive funding to attend skills- enhancing seminars, work-shops and conferences. Award recipients must agree to share the knowledge gained at a 2-hour "teach-out" presentation to the STAND general membership.

Each calendar year, STAND will make two awards of up to $500 each. The award may be used to pay all or a part of a conference/workshop/seminar fee. Payment of the award will be made directly to the sponsoring entity.

Members may apply beginning January 1 through February 28, 2018.
All applications must be made on-line via the application link on the STAND site.
Applications will not be reviewed until after the application period has ended.
Applicants will be asked to provide information about themselves, the event which they would like to have funded and to agree to the terms and conditions of the award.

Applications will be reviewed and awards determined by a voluntary, 3-member Selection Committee. The Selection Committee will consist of two general members and one STAND Board member.

2018 Learning Opportunities
