

BODY LANGUAGE

Friday, September 14, 2012
Members Business Meeting from 9:00 to 9:30
(Current members are encouraged to attend)
Training Time from 9:45 to 12:00
PARADEE Building Dover, Delaware
COST: F R E E !!!

“What is body language and how is it important in your daily activities? How does body language work? These questions and more will be answered during this half-day workshop on reading basic body language. Participants will identify and decode “signals” of body language and have the chance to practice interpreting body language during the workshop. If you work with people, you can benefit from this presentation.”

Biography

Sergio Huerta is the Director of the Departmental of Natural Resources Environmental Lab and the Public Health Lab. He is also a medical doctor. Sergio has been with the state for 20 years. He has been doing body language trainings for nearly 25 years.
