## **Understanding How to Use Your Career Research/Ladder Tools**

Did you ever wonder, "Is this the right job for me?" or "How do I get that promotion?" During this presentation, you should expect to learn about many of the services and tools that the Employment and Training team for the Department of Labor have to offer. Come learn how to match your interests with your career paths by using career research tools. Also learn how to advance in the workplace by using career ladder tools.

### **ABOUT PARKS HOLT**

Parks Holt currently plays the role of V.P. of Communications for the Statewide Training Advisory Network of Delaware and also is an Employment Specialist for the Delaware Department of Labor's Division of Employment & Training. Parks has over 17 years of professional experience combined in corporate banking, customer service, motivational speaking services, and human services. He specializes in career initiatives for individuals who are plotting out successful career paths. He leverages his background by delivering precise and useful information on how to guide professionals in their career planning and positioning within an organization. He works with the unemployed professionals as well as employed professionals to create revenue in a challenging economic environment
