New Membership Year reminder

August kicks off a new membership year. The membership fee remains \$30 but the benefits of membership far out-weigh the costs. There has never been a better time to join. Contact a Board member for more information.

Resource Sharing

We post many of the resources we share during general meetings on our website. We also add them to discussion boards in our connect community in the Delaware Learning Center (DLC). DLC users can find the community by selecting “Connect” on the main menu and then the title of our community. After that, click the “Join” button.

Poll Everywhere (<https://www.polleverywhere.com>)

A super easy tool to gather live response in any venue – conferences, concerts, classrooms – anywhere with internet. Poll everywhere is a fantastic new tool introduced at the July General Meeting by Kim Steele.
