May General Meeting

The May General Meeting was spent exploring the world of essential oils and how they are used. A few attendees even got to make their own!

July General Meeting

Join us July 12th from 9:00 – 12:00 as STAND welcomes Kieran Muhammed. Kieran is a performance improvement and organizational change consultant, entrepreneur, public servant, and published author. He will take attendees on an exploration of understanding the relevance of quality. We will cover what quality is and what it is important. The presentation will also review quality and people plus quality and process. Our time will conclude with understanding the soft side of quality.

General meetings are held at the Paradee building in Dover. To learn more about previous presentations and future meeting dates, go to: <u>https://stand.delaware.gov/meetings.shtml</u>

Elections Announcement

As announced at May General Meeting, a changing of the guard has taken place.

Please join us in welcoming the new STAND President, Adrianne (Ade) Spiegelman!! While we will certainly miss Lori Collier's leadership, we are all very excited about Ade continuing the tradition of stellar Presidents! Lori will still be around, so she isn't going too far. Adrianne has a wealth of experience to guide our group.

The Vice President of Programs is currently vacant. If you are interested in the Board position, please contact STAND (<u>Delaware.stand@gmail.com</u>).
