## GENERAL MEETING UPDATES

**May** meeting provided very useful information on writing procedures. Allison Gallo used many examples and provided super helpful take away tools for planning and writing procedures. The group had lots of opportunity to share ideas.

**July** meeting location is in the Public Health conference room at [Edge Hill](#) rather than Paradee. We will learn to use technology in the classroom. More importantly, we will have a *pizza party* after the meeting to kick off the 2019 **membership year** and celebrate **STAND turning 30!** Be sure to block off extra time on your calendar to join us.

NOTHING IS  
IMPOSSIBLE.  
THE WORD  
ITSELF SAYS  
"I'M  
POSSIBLE!"

## RESOURCE SHARING

We post many of the resources we share during general meetings on our website. We also add them to discussion boards in our connect community. DLC users can find the community by selecting Connect on the main menu and then the title of our community. After that, click the join button.
